3.6.1 Extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues and holistic development during the last five years

As a part of the MBA curriculum, every student should take up an assignment with an NGO which should be for a minimum period of ten days. The students are assigned an NGO by the institute. However, the students are free to select the NGO and inform the institute. During the attachment, the students are free to pick up mutually beneficial assignments to exhibit their managerial talents along with the volunteering field work. The attachment may be executed by the students at any point of time in the first year. A report based on the attachment duly endorsed by the NGO should be prepared by the student and submitted to the institute for evaluation. The evaluation is done by a panel consisting of members from NGO as well as a faculty member.
