Provide the salient features of the IT Policy and describe the process of implementation and adherence to the policy , budgetary provisions made and utilized and the expansion plan in maximum of 500 words

The Institute has a robust and vibrant IT policy. The policy aims at providing uninterrupted services to all stakeholders .viz. faculty, officers. staff and students. IIFT IT infrastructure includes centralized data centre (HCI server infrastructure), Wi- Fi campus, learning management system, web services and email services. During the lockdown due to Covid pandemic, classes were held on-line for students across all programmes. Secured Wi-Fi access has been provided to all users in the campus using CISCO equipment. The Wi- Fi network supports 802.11n standards. Over 1,500 users have access to this network.

Today, IIFT can boast of having one the best IT infrastructure in the league of leading business schools as we spend heavily on our IT set-up. Recently the institute has completely revamped its IT infrastructure by investing nearly Rs. 10.5 crore and it was the complete revamping of its IT Infrastructure to achieve the following:

- Own Datacenter with Hyper Converged Infrastructure. Catering to all the crucial IT services of the Institute
- Upgrading the Campus Network to provide 10 GBPS backbone and 1 GBPS connectivity to end users on LAN.
- Launching of two Virtual Classrooms, each one at both Delhi & Kolkata campuses to conduct online classes
- Installation of Video conferencing equipment for offices of Institute's Senior Management
All the faculty members and Senior Officers of the Institute have been provided with laptops with latest configuration. These laptops are replaced every 4 year as per the policy of the Government of India.
